### **SPARKY ROSÉ**

This 2016 blend consists of ⅓ Cab Franc and ⅓ Cab Sauv with an alc of 12.7%. It was aged in stainless and is nearly dry the way a fine Rosé should be. This is not a sparkling wine like the name might imply but a tribute to a local power company that “acquired” part of our property. It has all of the finesse of such a takeover with none of the lawyers involved.

This is our 2016 100% Vidal Blanc dessert wine and first ever late harvest variety. It was fermented and aged in stainless steel to retain a crisp fruit forward flavor and has an alc of 16% with a residual sugar of 6%. We have chosen the name “Desert Delight” as it complements our desert roots.

### **STARBOARD**

This is our 2015 port-style wine made from 100% Norton grapes and is 21% alc. It contains 8% residual sugar and is aged in both oak and used whiskey barrels- try it with our chocolate. Bob often leaned slightly “starboard” during his time in the Navy and this wine is in honor of those carefree days of bygone youth.

*Bottle Price: \$40.00/Glass: \$10.00*

### **WILD SEED NORTON 2014/15**

2015 will be remembered as one of the most outstanding vintage years in recent Virginia history. We decided to once again produce a dry Norton for those who enjoy Virginia's native grape. This wine is definitely age worthy and/or should be decanted for at least a ½ hour if consumed any time soon . 2015 has an alc slightly more than the 2014 and is 12.6%.

*Bottle Price 30.00/ Glass \$9*
